

HUGS Foundation

Helping families of chemically dependents find
Hope, Understanding, Gratitude and Serenity

Who We Are...

- A 501(c)(3) non profit charitable organization founded in 2008 by Dianne Vogt to bring Hope, Understanding, Gratitude and Serenity to families of chemically dependent adolescents.
- The only local organization to offer this type of support.

What We Do...

- Provide families in need of extended adolescent drug and alcohol recovery services with financial support.
- Help to bridge the insurance gap for those who would otherwise struggle with the cost of ongoing treatment.
- Expect recipients to "pay it forward" thus growing a strong support network.
- Work with treatment centers to offer scholarships.

Why We Do it...

- We are committed to bringing recovery to families in Northeastern Ohio.
- No one should be denied ongoing treatment due to lack of funds.

How You Can Help...

- Make a tax deductible contribution to **HUGS Foundation**.
~ Mail to: 1055 Erie Cliff Drive, Lakewood, Ohio 44107
